## PARTS ORDERING INFORMATION

### If you need service or parts for your unit:

If you require service assistance or wish to order any parts, contact your local authorized dealer.

The local dealer or Service Department will need to know the identification numbers of your unit to provide the most efficient service. See below for information on how to identify and record the identification numbers for your unit.

#### NOTE:

Because certain parts are supplied to us by more than one manufacturer, some replacement parts may vary slightly in shape, color, or texture from the original parts.

Be assured that all Troy-Bilt/Bolens® replacement parts must conform to our rigid quality specifications. Any variations will not affect the fit or performance of these parts on your unit.

When ordering parts for your unit, provide the following:

1. Serial number and model number of the unit.
2. Part number of part needed.
3. Part description.
4. Quantity needed

#### CAUTION

---

**We urge using only genuine Troy-Bilt/Bolens® replacement parts, which meet all of the latest requirements. Replacement parts manufactured by others could present safety hazards, even though they may fit on this unit.**

---

#### IMPORTANT:

**Left and right sides of the unit are determined by standing behind the unit, in the operator's position, and facing the direction of forward travel.**

#### NOTICE:

**We reserve the right to change specifications, add improvements or discontinue the manufacture of any of our equipment without notice or obligation to purchasers of our equipment.**
