* Purchase parts from your local Briggs & Stratton outlet.

PARTS ORDERING INFORMATION

If you need service or parts for your mulching mower:

If you require service assistance or if you wish to order any parts, please contact your local authorized dealer.

The Service Department or local dealer will need to know the identification numbers of your mulching mower to provide the most efficient service. See below for information on how to identify and record the identification numbers for your unit.

If you need engine service or parts:

For engine service or parts, contact your local authorized engine dealer. Look in the yellow pages of the phone book under "Engines—Gasoline" for the name of the nearest authorized engine dealer. An authorized engine dealer can handle all parts, repairs, and warranty service concerning the engine.

NOTE:

Because certain parts are supplied to us by more than one manufacturer, some replacement parts may vary slightly in shape, color, or texture from the original parts.

Be assured, however, that all Troy-Bilt replacement parts must conform to our rigid quality specifications. Any slight variations will not affect the fit or performance of these parts on your mulching mower.

When ordering parts for your mulching mower, be sure to provide the following information:

1. The serial number and model number the mower.
2. The part number of the part needed.
3. The description of the part.
4. The quantity needed.

CAUTION

We urge using only genuine Troy-Bilt replacement parts, which meet all of the latest requirements. Replacement parts manufactured by others could present safety hazards, even though they may fit on this mulching mower.

IMPORTANT

Left and right sides of the mulching mower are determined by standing behind the mower, in the operator's position, and facing the direction of forward travel.

IDENTIFICATION NUMBERS

Record your mulching mower's serial number and model number.

Refer to the figure at the right to find the mulching mower's serial number/model number decal. When ordering any parts from us or the local servicing dealer, you will need to provide the information on this decal. For your convenience and ready reference, record this information in the spaces provided below.

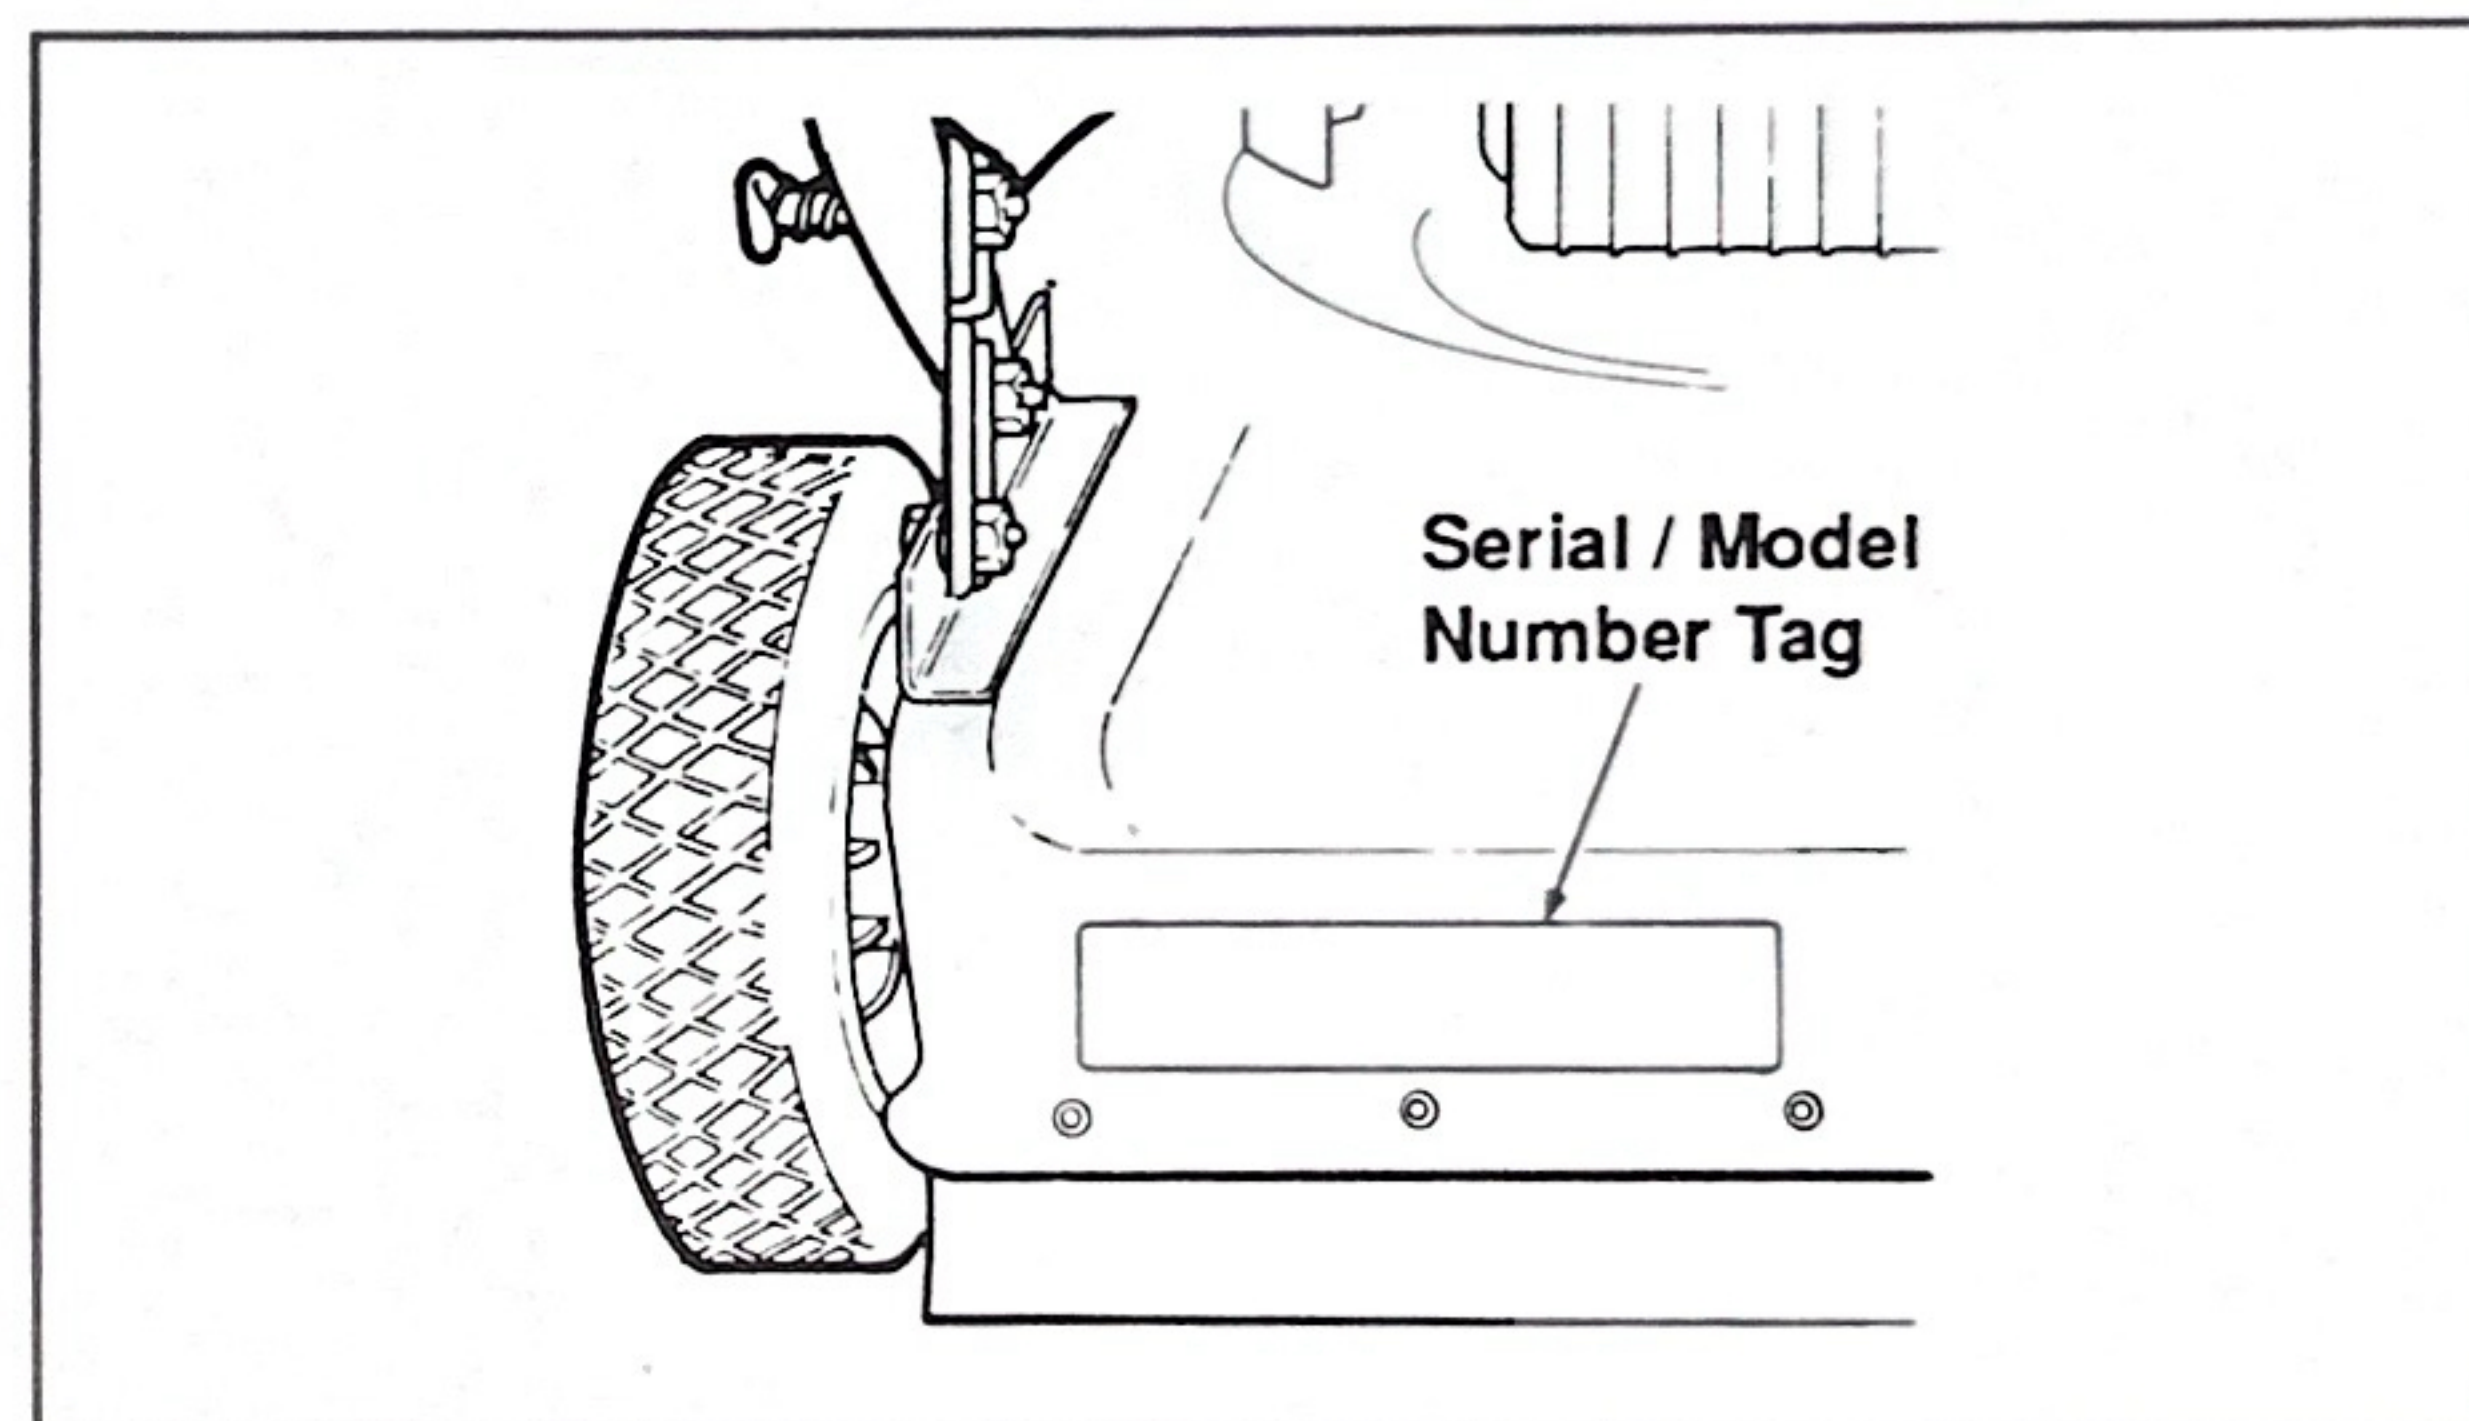

Mulching mower's model number: _____

Mulching mower's serial number: _____

Date of delivery: _____

Record the engine identification numbers.

To obtain engine parts, provide the local authorized engine dealer with the engine identification numbers. Refer to the engine owner's manual for the location of these numbers. Record these numbers in the spaces to the right.

Engine Manufacturer: _____

Engine Horsepower Rating: _____

Engine Identification Numbers: _____
